

987 RAYON ST., CHARLOTTE NC 28216

BAHN SIU & BIET ROLAN are a family from Vietnam. They have 3 kids and have lived in Charlotte since 2008. They are most excited to have a house of their own for their family. Their favorite thing about the Habitat process so far has been earning enough sweat equity hours to go on lot selection and ultimately decide where and what their new house would look like.
