

Plant Activities

Science Lab Kathy Shonts

Have a basket of fruits and vegetables (plastic ones in the kitchen will do) and have the children match it to the right vegetable or fruit.

Can you find the seeds in the cotton?

We eat roots

Beets, carrots, turnips, radishes

We eat leaves

Lettuce, spinach

We eat fruit

Apples, tomatoes, oranges, grapes

We eat seeds

Corn, green beans, lima beans

We eat stems

Celery, asparagus

We eat bulbs

Onions

We eat tubers

Potatoes

We eat flowers

Cauliflower, broccoli
