Christ Church Women's Bible Study

Want to grow deeper in your faith?
Join us on Thursday mornings.

Women of all ages gather weekly at Christ Church to study, learn and grow together, with lectures led by our clergy. This year we will study Judges and Joshua in the fall and the Universal Letters (James, Peter, John, and Jude) starting in January. Each week we will gather for a lecture, and then move into small groups for discussion and to grow closer to one another in Christ. The small groups help us make the connection between scripture and our lives, and provide an opportunity to learn from one another. We hope you will join us!
