\*Monthly tuition payments September – May

\*\*Advanced Tuition payment is due with the signed Enrollment Contract

Total Tuition = \$500 Advanced Tuition + 9 months of Monthly Tuition

### **Financial Assistance**

Christ Church Preschool and Kindergarten offers financial assistance for short-term needs. If you wish to apply for temporary financial assistance, please contact Kelly Coley, Head of School, via phone (704-333-5858) or email (coleyk@christchurchcharlotte.org).

Our half-day Preschool and Kindergarten programs allow each child to develop socially, emotionally, intellectually, physically and spiritually. We offer opportunities daily for children ages 12 months through Kindergarten to explore their abilities, express ideas and play with friends. Enrichment programs such as Music, Science, Chapel, Creative Movement, My Gym, Christian Education and Learning Center (our school library) broaden the children’s exposure to the greater world around them and enhance classroom experiences. Field trips, seasonal performances, and special events help expand learning outside the classroom and build confidence in our children. Our curriculum, staff, and classroom environment inspire children to become life-long learners.

### SCHOOL HOURS

MONDAY-THURSDAY

FRIDAY

9 A.M. – 1 P.M.

9 A.M. – 12 P.M.

### CHRIST CHURCH PRESCHOOL & KINDERGARTEN

#### GUIDING PRINCIPLES:

- Promote Christian values by encouraging sharing, confidence, independence, and kindness
- Surround children in a happy, loving and nurturing learning environment
- Promote Self-Help/Independent Behaviors
- Promote Social/Emotional & Language Development
- Promote Cognitive Development
- Promote Physical Development

## **REGISTRATION INFORMATION 2019-2020**

### **SCHOOL TOURS**

School tours are available on Wednesday mornings at 9:30 A.M.

Please email Meredith Sorrell, Assistant Head of School, to schedule a tour (sorrellm@christchurchcharlotte.org).

### **REGISTRATION INFORMATION**

- Registration opens January 7<sup>th</sup> and closes on February 1<sup>st</sup> at Noon.
- A child's class assignment is determined by his/her age as of August 31, 2019.
- An annual Registration Fee of \$100 is due with the Application and will be refunded if a child is not offered a place in the program.
- Enrollment is based on a lottery system with the following priority categories.
  - Current CCK Family & Christ Church Pledging Member
  - Current Christ Church Preschool & Kindergarten Family
  - Current Christ Church Pledging Member
  - Former Christ Church Preschool & Kindergarten Family
  - Non-Christ Church Member
- Upon filling all spaces, applicants will be placed on the Waitlist using the same lottery system.
- Enrollment results will be mailed the week of February 11<sup>th</sup>.
- To confirm enrollment, parents must sign and return an Enrollment Contract with an Advanced Tuition payment of \$500. Advanced Tuition payments are applied to the Total Tuition for the school year.
- Once the signed Enrollment Contract and Advanced Tuition payment are received, a child is considered enrolled for the coming school year.

### **KINDERGARTEN APPLICANTS**

- The *Gesell Developmental Observation* is required for all Kindergarten applicants. For more information, visit <http://www.christchurchcharlotte.org/gesell-testing-request/>
- Kindergarten applicant's current preschool teacher should complete and return a Teacher Recommendation Form by February 1, 2019.
- Kindergarten enrollment notifications will be mailed the week of February 11<sup>th</sup>.

## **PROGRAM INFORMATION**

### **TODDLER PROGRAM**

**Teacher/Student Ratio: 2:8**

Our Toddler curriculum is developed around the natural curiosity of toddlers to explore and learn. Toddler teachers guide children in learning to separate from parents and play in a community environment. Toddlers are encouraged to explore and play in a safe, happy and loving environment anchored in traditional Christian values. Children are introduced to colors, counting and shapes through seasonal experiences and classroom interactions. Toddlers learn new vocabulary and communication skills as they interact with teachers and peers each day.

### **TWO-YEAR-OLD PROGRAM**

**Teacher/Student Ratio: 2:8-10**

Our Two-Year-Old classes focus on peer interaction and social development. Our teachers guide students in learning about the world around them through stories, songs and play. Colors, numbers and shapes are incorporated into the curriculum through classroom activities and seasonal thematic units. Our Two-Year-Old classes enjoy trips to the Learning Center, Science Lab, and My Gym classes each month and love singing with our music teacher during weekly classroom visits.

### **THREE-YEAR-OLD PROGRAM**

**Teacher/Student Ratio: 2:12-14**

Our Three-Year-Olds continue to develop a love of learning through discovery and exploration. Daily activities and new concepts are introduced during circle time and explored throughout the day during artwork, story time and centers. Three-Year-Olds are introduced to a Letter of the Week and enjoy learning through play and small group instruction. Three-Year-Old teachers strive to strengthen independence, develop self-help skills, and increase self-confidence through daily activities. Music, Christian Education, Learning Center, Science and Creative Movement classes enrich the school day for our Three-Year-Old children.

### **FOUR-YEAR-OLD PROGRAM**

**Teacher/Student Ratio: 2:12-14**

Four-Year-Old teachers provide an environment where students can continue exploring the world around them through free play, artwork, story time, centers and field trips. Four-Year-Olds take a more in-depth look at the alphabet by investigating each letter, its unique sound(s), and letter formation. Classes are also introduced to fine motor skills and games that are basic building blocks for handwriting. Our Four-Year-Old children explore math skills through calendar time, counting and hands-on learning activities. In addition to Music, Christian Education, Learning Center, Science and Creative Movement classes, our Fours attend a formal Chapel service twice monthly. Four's classes attend off-campus and on-campus enrichment programs that enhance their classroom learning.

### **KINDERGARTEN PROGRAM**

**Kindergarten Teacher/Student Ratio: 2:12-14**

Our Kindergarten Program uses the Lippincott curriculum to develop phonological awareness, support phonics instruction, teach handwriting skills and development of pre-reading and reading skills. The Kindergarten math curriculum uses hands-on activities to develop number concepts and early math skills. Our Kindergarten program is enriched by a variety of field trips that enhance classroom learning. Music, Christian Education, Learning Center, Science, Creative Movement and Chapel classes are an integral part of our Kindergarten curriculum.

## **SPECIAL AREA CLASSES**

### **Chapel (Fours & Kindergarten)**

Chapel is a time for children to worship through song and stories with the Christ Church clergy and our music teacher. Students in each class have the opportunity to participate in the bi-weekly service by helping light candles, carry the cross and sing together.

### **Christian Education (Threes, Fours, & Kindergarten)**

During weekly visits, our Christian Education teacher uses the Godly Play curriculum to teach Bible stories. The stories use manipulatives and props to help bring Bible stories to life for the children.

### **Creative Movement (Threes, Fours & Kindergarten)**

Classes learn through the art of dance during Creative Movement. Creative Movement is a literacy-based gross motor program that helps children develop gross motor skills, listening skills, gentle hands, imagination and a warm heart, through creative play and exercise.

### **My Gym (Toddlers & Twos)**

The My Gym staff provides gross motor programming for our Toddler and Two-Year-Old classes once a month. Children learn to balance, take turns, move and play through games, obstacle courses and individual practice skills.

### **Learning Center (Toddlers-Kindergarten)**

Threes, Fours and Kindergartners visit the Learning Center twice monthly. Twos and Toddlers visit the Learning Center once per month. Learning Center teachers read a fictional story, discuss a subject covered in the story, and lead the class in a related activity. Children learn literary terms such as author, illustrator, fiction, and non-fiction. They also choose their own books to check out and keep in their classrooms until their next visit.

### **Music (Toddlers-Kindergarten)**

Our music teacher strives to make music fun for all ages with silly songs and lots of movement during weekly classroom visits. Classes sing a combination of seasonal, secular, and chapel songs. Fours and Kindergartners perform a special musical Thanksgiving story and Threes perform a Songfest each Spring.

### **Science Lab (Twos, Threes, Fours, & Kindergarten)**

Children enjoy visiting the Science Lab twice monthly to learn about the wonderful world of science through demonstrations, stories and hands-on activities. Students use scientific process skills such as observation, classification, questioning, predicting, experimenting and communication as they explore the Science Lab.

### **ALL SCHOOL CHAPEL**

Once a month all CCK children gather together in All Saints' Hall for our All School Chapel. Children, Toddlers-Kindergartners, are led by the Christ Church Clergy and our music teacher in singing songs and learning more about God's love for us.
