## CHILDREN AND FAMILIES

### New Year Resolutions of FAITH

At the start of a new year, many of us look ahead with hopes of doing things a little better than we did the year before. We set goals to eat healthier, sleep more, read longer, or exercise regularly. But what about goals for our 2017 faith journey? What elements might we want to add or grow to our faith practices?

Sometimes it's best to start simple. Consider expanding your prayer life. Most of us are accustomed to hearing prayers at the dinner table or when tucking in for bed, but what would it look like if we modeled prayer in our families more often, and at unexpected times? Sometimes, we feel intimidated by praying "on our own" without a memorized prayer to guide our words. Maybe this is the year to embrace prayer as many little conversations with God throughout the day, not just the rote offerings we offer at meals or bedtime. Imagine what God might say back to us when we open ourselves up to talking (and listening) to him more often throughout the day.

Even young children can learn to pray "on their own" by using this simple **Five Finger Prayer** model. It might be helpful for the adults in your family, too!

**Thumb** - reminds us to pray for friends and family.

**Index/Pointer Finger** - reminds us to pray for people who point us to God (priests, teachers, parents).

**Middle Finger** - it's the tallest, reminding us to pray for the leaders in our schools, city, state and country.

**Ring Finger** - is the weakest, which reminds us to pray for those who are less fortunate than we are.

**Pinky** - it's the smallest, helping us to remain humble as we pray for ourselves.

Deborah even periodically brings her mother's famous mac n cheese or banana pudding for our staff to enjoy, just to show her appreciation for their friendship. Deborah and Marvin show us what kindness looks like every day.*

## CONGREGATIONAL CARE

### Living with Grief and Hope

**Wednesdays, March 8, 15, 22, 29**  
**1:00 - 2:15 PM or 7:00 - 8:15 PM**

We will hold a four-week series for those coping with grief and loss. Grief can be a pathway to growth, not in a way that justifies the pain or loss, but in a way that pays homage to our loss. No one need carry grief alone either; knowing that others understand how we feel can lessen the hurt and strengthen the hope.

Each meeting will be led by The Reverend Lisa Saunders. Register by contacting Lisa at 704-714-6952 or [saundersL@christchurchcharlotte.org](mailto:saundersL@christchurchcharlotte.org).

### Aging Matters

**Wednesday, February 22, 7:00 PM, M207**

About one-third of Americans between the ages of 65 and 74 have hearing problems and half of those over 85. If left untreated, problems can get worse. Hearing loss can affect your life in many ways – missing out on conversations in person or on the phone. At the doctor's office, you may not catch the doctor's words. Friends and family weary of repeating themselves. Come learn from an audiologist about the nature of hearing loss and hearing aids.

### Kanuga Rocks!

**April 28-30, 2017**

Save the Date for a Family Weekend in Kanuga. All ages are welcome! Join Christ Church families and The Reverend Matt Holcombe for a relaxing, fun weekend of connection and friendship with hiking, social time, recreation and worship. Registration is available at [www.christchurchcharlotte.org/family-retreat](http://www.christchurchcharlotte.org/family-retreat). Contact Debbie Starling, [dstarling129@gmail.com](mailto:dstarling129@gmail.com), with questions.

### About Our Memorial Garden

The Christ Church Memorial Garden is a sacred space for many whose loved ones' ashes are interred there.

Every week the garden is carefully maintained by dedicated parishioner Lulie Mallard. Each time there is to be a burial, the garden is specially cleaned and prepared for the family.

People want to stay connected to their deceased loved ones. They come and sit close to the burial spot. Flowers and remembrances are lovingly placed. Holidays and special occasions are remembered, and the garden portrays that.

Few rules govern what is placed in the garden, but Lulie asks that you consider these guidelines:

- Do not leave items you will want returned, or anything you feel should remain permanently. We are not able to allow any item to remain permanently, as the garden would quickly become cluttered and unattractive.
- Please do not plant flowers or other plants. The plantings in the garden are carefully chosen in keeping with an overall landscape design.
- If you move benches in the garden, please return them to their original location before you leave.
- Please supervise children carefully in the garden, for their safety and to prevent damage. Items placed in the fountain and little feet in flower beds can cause damage.
- Feel free to pick up any trash you find and place it in one of the receptacles provided.

Come sit, meditate, eat lunch, sip coffee, or be with a friend. Enjoy. The memories of those in the garden are cherished.

Christ Church youth will participate in the Bishops' Ball. This is a Diocesan event and weekend retreat for 6th - 12th grade students, held at Camp Walter Johnson in Denton, from 7:30 PM Friday to 11:15 AM on Sunday.

The event is planned and led by youth from the Chartered Committee for Youth. Youth and adults will participate in small group discussions and activities, large group presentations, games, music (led by a professional musician), worship, and possibly a campfire or talent show. All the bishops of our diocese participate and present the theme throughout the weekend. There is also a formal dinner followed by a celebratory Eucharist and dance, with a DJ, on Saturday night. Most participants dress up for Saturday evening's festivities. To register, contact Adam Klevenhagen at [klevenhagen@christchurchcharlotte.org](mailto:klevenhagen@christchurchcharlotte.org).

### Bishop's Ball Recap by Beasley Gordon, 8th grader at Alexander Graham Middle School

Last year I had the opportunity to attend the Bishop's Ball at Camp Walter Johnson. It was a great weekend filled with meeting new friends from across the Diocese, participating in activities and workshops, and learning more about God. The food was especially good!

One of my favorite parts about the weekend was getting to meet some new friends from the different Episcopal churches. Each day I chose which planned activities I wanted to participate in, and they were all so fun! The weekend went by really fast. On the last night we went to a dance where there were plenty of photo opportunities and cool music. I loved dressing up and getting ready for it. It was a memorable weekend and I think everyone should have the chance to go!

*"When we go out to lunch, if there are police or fire-fighters eating there, we go to the check out and pay for their meal. No need to tell them who did it. They are only told that they are appreciated for their service to our community."*

This is an advanced course and previous study and work with the Enneagram is needed. Galilee is a ministry of the diocese and is a welcoming place of learning, service and fellowship with refugees. Ministries include ESL classes, community gardens, community meals, a Loaves and Fishes pantry and more.

Race Matters for Juvenile Justice (RMJJ) works to reduce disproportionality and disparate outcomes for children and families of color through institutional organizing, education and workforce development. They offer a two day "Dismantling Racism" workshop that challenges people of all colors to understand the origins of racism, the structural and systemic nature of race, and the role of implicit bias. RMJJ also facilitates race conversations with youth, within race affiliate groups, and advocates for equity in the judicial system.

The total Christmas offering was \$19,156 and will be split evenly between the two organizations.
