

Thanks be to God for these infinite **Leap of Faith** blessings. And thanks be to you.

With great gratitude to the more than 700 individuals and families who made a Leap of Faith gift, we are living into a dynamic new vision in our spiritual home. This represents the largest participation in any campaign in the history of Christ Church and six years of glorious growth and generosity. We filled two houses with hope on the corner of Portland and Providence, launched a spectacular music program, made critical campus improvements and lifted our community through major outreach gifts. But most importantly, each person in our parish was encouraged and empowered to live out the example of Christ at home, at work, in the community and throughout the world.

And now, Father, send us out to do the work you have given us to do,
to love and serve you as faithful witnesses of Christ our Lord.
Book of Common Prayer, page 366
