

Many have asked, “How can I help?” See below:

- SHC is still able to receive non-perishable donations through our [Amazon Wish List](#). You can donate through the wish list and send it to the following office address: Supportive Housing Communities 601 E. Fifth St. Suite 255, Charlotte, NC 28202
- Food deliveries to McCreesh place are to be individually packaged and require 24 hours’ notice to coordinate distribution efforts with our volunteer resident leaders. For donations of food or other items, please contact [Linda Miller](#).
- For convenience, donors making monetary contributions are encouraged to do so [here](#). We are grateful for your support during this time of great need.
